THE LIVING MYSTERIES OF MALTA

"I'm yesterday, and I know today" Papyrus of Ani - Egyptian Book of the Dead

The ancient ones are calling you home.

The Maltese islands are examples of "Cosmic Islands" that conceal great universal truths. Our vision is to embody the wisdom and understand the mysteries within this sacred land. We will celebrate each day and honor the creative divine feminine spirit as we follow the trail of wisdom inherent in these sacred lands. Our journey on Malta, with over 7,000 years of history, will open unexpected doors for us.

Malta's immense prehistoric temple complexes are older than Stonehenge or the pyramids of Egypt. This is a sacred place of pilgrimage where the Mother Goddess spoke and taught her mysteries. Here they created powerful oracle sites and built unique temples integrated within the

surrounding landscape aligned with movement of the Sun, Moon and the Stars. They created the oldest calendars in stone that still mark the sunrises on the equinox and solstices. They offer a portal through time to explore the ancient mysteries. Malta, a tiny island group with its sunshine and harbors has been home to early temple-builders, Phoenicians, Greeks, Romans, pirates, Turks, and St. Paul was shipwrecked on its shores. The heroic crusading Knights of St. John settled here.

Why Malta?

Every time we visit a sacred place we are nurtured and inspired by the energetic imprint left in our beings by the innate power of the place. These glimpses of spiritual power come as gifts from the Earth. We will be open to receive the gifts of Earth as we travel through Malta

For thousands of years people have traveled to these islands to embody their own oracle power, to commune with the Goddess, to honor her cycles, and to feel her healing powers. You are invited to rekindle the fires of renewal, healing and rediscover your forgotten divine memories. On this amazing tour we will explore the mysteries, experience timeless wisdom and have private time at Ggantija, Mnajdra and Hargar Qim Temples.

Malta is a sacred island where people throughout the Mediterranean and beyond, would come on pilgrimage to worship, the great mother Goddess and give thanks. The sacred places and portals in Malta are filled with mysteries that are layered with ancient wisdom, rich traditions and dynamic energies. We will be visiting some of the most sacred sites in Malta. Together we will create miracles as we tap into the profound knowledge held within Malta for thousands of years. We will then step beyond what is known to experience the new divine energies that are available.

Malta is opening her secrets at this time of global transformation and many are being called to experience her wisdom. We will work with these profound energies on a cellular level as we invoke the alignment, integration and activation of our physical and spiritual bodies. You will feel these amazing sacred places for yourself and feel the ancient one calling to you as they bless you with their wisdom. We will open our light codes within and without and be a joyous traveling family of light on a profound spiritual adventure. Within the Heart of Malta we will activate our highest potential and radiate our love and goodwill to humanity.

Malta will be warm and sunny. On this amazing tour, we'll stay in lovely hotels with rooms facing the deep blue of the Mediterranean. We will enjoy beautiful beaches, eat wonderful food, enjoy nice wine and have many extras along the way. There will be excellent guides, guest speakers and many opportunities for spontaneous gatherings.
